

This cross-sectional view shows a multi-layered structure. At the top is a thick, stippled layer labeled 220. Below this is a series of alternating layers. A layer labeled 240' is shown with a dashed line indicating it is a continuation of a layer below. Below 240' is a layer labeled 230'. This is followed by another layer labeled 240, which contains several rectangular features labeled 242'. Below 240 is a layer labeled 230, which contains several rectangular features labeled 243'. At the bottom is a layer labeled 241'. A layer labeled 232' is also indicated between the 240 and 230 layers. A layer labeled 243' is shown at the very bottom, with an arrow pointing to it from the label 244'.
